The incumbent acts as a Pediatric Specialist Dental Officer and provides clinical and administrative services such as sedations, stainless steel crowns, restorative procedures, with behavior management in a 24 chair Dental Clinic. Provides direct pediatric care for dental clinic patients. Responsible for treating patients both in the clinic and in the operating room and providing pre-operative, operative, and post operative care. Incumbent will obtain consultation services in other specialty areas as appropriate for cases requiring a team approach. Treat assigned Emergency or walk-in patients of all ages. Complete work assignments for program planning and patient or procedure tracking. Complete Quality Assurance/Performance Improvement Reports as requested. Maintain clinical/administrative studies for the care of pediatric patients. Assist with special purchase, grants, prevention studies/programs concerning pediatric patients. Functions as the NAIHS Pediatric Dental Consultant and as an administrator in the development, implementation, and evaluation of pediatric dental programs based on the objectives of the overall IHS dental program. Contributes to the establishment and input from other NAIHS pediatric dentists. Conducts special surveys on Indian groups in order to secure baseline information related to the pediatric dental services they require. Conducts research in the program application of this clinical specialty. Develops specific staff training programs in Pediatric Dentistry as required. Provides direct care in Pediatric Dentistry for all dental patients as required on demand and referral basis with the Area and from without on a limited basis. Performs other duties as assigned.

"DESIGNATION OF CHILD CARE POSITION UNDER P.L. 101-630 AND P.L. 101-647."

YOUR DESCRIPTION OF WORK EXPERIENCE, LEVEL OF RESPONSIBILITY, AND ACCOMPLISHMENTS WILL BE USED TO DETERMINE THAT YOU MEET THE FOLLOWING REQUIREMENTS:

BASIC REQUIREMENTS: *Education:* Degree in dental surgery (D.D.S.) or dental medicine (D.M.D.) from a school approved by the Council on Dental Education, American Dental Association (ADA); or other dental school, provided the education and knowledge acquired was substantially equivalent to that of graduates from an ADA-approved school. *Licensure:* Applicants must be currently licensed to practice dentistry in a State, the District of Columbia, or Puerto Rico.

Applicants who meet the basic requirements qualify for a GS-11.

IN ADDITION TO THE BASIC REQUIREMENTS: For the GS-680-12, applicants must have one of the following types of experience and/or training.

- Post-licensure professional experience in the general practice of dentistry.
- Approved internship training.
- Approved residency training.
- Graduate-level study in an accredited dental school.
- Post-licensure professional experience in a specialized area of practice.
- Other advanced study or training (outside a dental school or hospital) creditable towards satisfaction of training program requirements for Board eligibility.

For specialist positions, experience and/or training must clearly establish the applicant's status as a specialist. Agencies should review the applicant's experience to determine the types and difficulty of the cases dealt with, the level of knowledge and understanding of the specialization regularly required, the degree of diagnostic skills and treatment planning ability involved, and the pertinent graduate study acquired.

For GS-12: Two years of professional dentistry experience and/or training or superior academic ability defined as that demonstrated by an intern, who on the basis of an evaluation of all interns who have completed training in the same hospital or in the same kind of internship program over the past 5 years, would fall into the upper half of the group.

Medical Requirements: Applicants must be able to distinguish shades of color.

Selective Placement Factor: Each PHS dentist must possess and maintain a current, valid dental license in a State. Applicants must meet this requirement prior to employment. *Please submit a copy of your current licensure with your application.*

Positive Education Required: YES

Licensure Required: YES

Legal and Regulatory Requirements: Candidates must meet time-after competitive appointment time-in-grade, and qualification requirements by the closing date of the vacancy announcement.

Conditions of Employment: Incumbent may be called for services at other than routine clinic hours and may be occasionally called upon for general dental duties.

Immunization Requirement: All persons born after 12-31-56 must provide proof of immunity to Rubella and Measles. Serology testing to confirm immunity and/or immunizations will be provided free of charge. Special consideration may be allowed to individuals who are allergic to a component of a vaccine, have a history of severe reaction to a vaccine, or who are currently pregnant. This applies to candidates for positions in any Service Unit or any Area Office position, which requires regular work at a Service Unit.

NOTE: Refer to OPM Operating Manual Qualification Standard Handbook or IHS Excepted Service Qualification Standard, Series GS-680 for complete information. Substitution of education for experience will be made in accordance with those standards. For more complete information, contact your Servicing Human Resources Office. TO OBTAIN EDUCATIONAL CREDIT, APPLICANTS MUST SUBMIT OFFICIAL TRANSCRIPTS.

WHO MAY APPLY:

Applications will be accepted from NON-STATUS (those individuals who have never held a career or career-conditional appointment in the Federal service) and will be evaluated under competitive OPM regulation procedures.

Applications will also be accepted from individuals eligible for non-competitive appointment (e.g., applicants eligible for appointment under the Veterans Readjustment Act, the severely handicapped, or those with a 30% or more compensable service-connected disability.)
